Dear Mr. Hedburg:

Attached, please find revised text pages and maps (Drawings 011A, 018, and 019) plus Figure 4.9-2 for the subject Notice of Intent. Revisions have made in response to your letter of November 5, 1993 and in accordance with the letter from Mr. Jim Smith of USMX-Goldstrike of November 30, 1993. We have shown new text in Redline and replaced text in ~~strikeout~~ to facilitate your review. After your review and approval, and following any necessary further revisions, we will provide you with copies of revised pages without these markings, if you so desire.

Please contact either Robert Wilson with USMX at 574-3269/3164, or Bob Bayer with JBR Environmental Consultants, Inc at 943-4144 with any questions or comments you may have.

Sincerely,

Paul W. West

for Jim Smith,
Mine Manager
